On 08/1/18, the South Precinct Anti-Crime Team along with the Criminal Investigations Unit, were working an undercover operation in the area of 4 Ave S and S Holgate St, in Seattle WA. According to an SPD crime analyst study of this location, the property crimes in this area have become a constant and a theft happens at least 1 or more times a day, during the afternoon through to the evening hours. Our operation started at approximately 1200 hours. An undercover Police Officer rode an undercover bicycle into the area of 500 block of S Holgate St. The bicycle was a silver in color Specialized Sirrus Pro, S/N # P6F112085. It had a white seat with black writing and a large dual bag draped over the rear wheels. The bicycle was photograph and document prior to this operation. It belongs to the Seattle Police Department. The undercover Officer got off of the bicycle on the north side of the 500 block of S Holgate street and leaned the bicycle against a tree. The bicycle was left at this location. The undercover Officer walked away from the location and left the bicycle unsecured. The bicycle was left on the north side of the sidewalk near some shrubs and leaning against a tree, on the south of the business, located at 1765 6 Ave S, which is a Goodwill.

At approximately 1507 hours, I was working undercover in plain clothes and in an unmarked undercover vehicle. I observed a white female walking on foot east bound on S Holgate St. She saw the undercover bicycle and took possession of the bicycle. She then took the bicycle and was walking the bicycle alongside of her as she traveled east bound bound on S Holgate Street. She then entered the parking lot of the Goodwill and traveled north bound. She was then riding the bicycle through the parking lot when she was stopped by Uniformed Police Officers on bicycles. She was taken into custody.

The female was identified as Jolene D. Paris, DOB 07/07/78.

After being searched incident to arrest and secured in the rear of our unmarked undercover vehicle Jolene was mirandized again and admitted to Detective D. Perkins that no one had given her permission to take the bicycle. She claimed that she was trying to find the owner of the bicycle, because she worried it would get stolen.

Jolene's arrest was screened on scene by Sgt. S. Stone of the South Precinct ACT team. She was booked into KCJ.

Based on the observations by undercover SPD detectives, and the property described above as belonging to the Seattle Police Department being found in possession of Jolene D. Paris at the time of her arrest, it appears Jolene had stolen the property of another without permission. It appears probable cause exists to support the criminal charges against Jolene D. Paris for violation of SMC 12A.08.060, Theft related to this investigation. I am referred this case to the City of Seattle Law Department on 08/1/18, and requesting charges of Theft per SMC 12A.08.060.
